Theme of question submitted	HT Feedback
Prelim info letter	Comments raised were around the Prelim info letter which was sent out on Friday and in particular the impact this has on pupils who have not sat exams in the Hall before or the integrity of the paper itself if pupils are sitting it at different times. Context is extremely important here especially with exams planned for May and this approach ie Prelims during class time is normality for a large number of schools across the country even before Covid mitigations. More detail will be sent to parents/carers in due course and I will discuss this with Parent Council.
