

Parent Comments and Feedback Week ending 8.11.21

The table below gives feedback on questions raised by parents/carers as part of weekly HT Update that will be of use for other parents to be aware of. Specific questions related directly to your child will be privately responded to as soon as possible by most relevant person.

Theme of question submitted	HT Feedback
Prelim diet	Prelim schedule is being constructed at moment and once confirmed will be published in due course. A question around using other facilities in school was raised. This does not solve the max. pupil numbers issue which is the main determinant for prelims being sat during classtime.
Anti Bullying consultation	Information received from parents compliments information from other sources including pupils and staff. Our anti bullying policy is also informed by national best practice and advice from national bodies.
Reporting pupil absence	If your child is to be absent from school please phone the school at your earliest convenience. You can leave a voice message on 801804 indicating pupil name, class and reason for absence. If your child is absent without any message received we would utilise our safe arrivals policy. This number could be 'busy' just before start of day as messages are listened to. We are speaking to our provider to see if we can improve this functionality.
Exam results	2021 exam results will be discussed at Parent Council with update available for all shortly after. National data not available until after Christmas leavers data/ updated positive destination data is added early next year.
