

Parent Comments and Feedback Week ending 6.2.22

The table below gives feedback on questions raised by parents/carers as part of weekly HT Update that will be of use for other parents to be aware of. Specific questions related directly to your child will be privately responded to as soon as possible by most relevant person.

Theme of question submitted	HT Feedback
School day changes	Thank you for the overwhelmingly positive comments around the return to 1 lunchtime from Wed 16 th . Comments around improving opportunities for clubs/some fresh air/a return to some sense of normality all the main themes raised in support of this.
Duke of Edinburgh award as part of curriculum	Opportunities for additional accreditation through our curriculum is something we are exploring. DoE needs staff volunteers and additional commitments out with school day which means this will likely be an 'extra-curricular' option.
Dining space at lunchtime	<p>We have been specifically observing our dining space at lunchtime over last few weeks especially as our Assembly Hall has been out of action due to Prelims/First Aid qualifications. There is certainly enough seating in the dining hall area for our BGE pupils to eat their lunch. Some pupils remain at seats after eating/ others leave quickly and go to the quad area or astro-turf, for example. When we go back to one lunchtime for all pupils we will observe this again as we also expect some pupils to leave the building for lunch.</p> <p>Queues at lunch are also monitored. An additional pick up and go area has recently been added for those ordering in advance. Pupils are joining queues at different times which is good and again when we return to one lunchtime we will check this again. Ultimately we are constrained by our serving and till provision with catering staff working as efficiently as they can.</p> <p>Menus are varied and questions around what is offered and combinations of what can be bought I have forwarded on to the catering manager as out with my remit of responsibilities.</p>
