

Parent Comments and Feedback Week ending 12.09.22

The table below gives feedback on questions raised by parents/carers as part of weekly HT Update that will be of use for other parents to be aware of. Specific questions related directly to your child will be privately responded to as soon as possible by most relevant person.

Theme of question submitted	HT Feedback
National Mourning Period	<p>Following the death of Her Majesty the Queen, there will be a period of national mourning. In line with Council mourning protocols, all celebratory events will be cancelled/postponed until the end of the long period of mourning, which is Friday 7th October, inclusive.</p> <p>This means our Awards Ceremony and Autumn Music Concert will need to rescheduled after 7th October. More details in due course.</p>
Late Buses	<p>We have made aware WL transport about late buses both into school in morning and leaving at end of day. WL Transport are in touch with bus operators with regards this. The school sends information on a weekly basis to WL transport if buses are late.</p>
Duke of Edinburgh	<p>I am aware over 80 S3 pupils attended the recent DoE meeting. This is many more than we can accommodate. If a pupil missed the meeting I suggest they should see Mrs Hendry in PE in first instance.</p>
Extra Curricular Clubs	<p>This continues to be added to, even in the last week. See link here and please keep an eye on daily pupil notices. A Science/STEM club is being arranged and a Debating Club will also soon start. Another Coding Club is starting and to clarify I am informed the Linlithgow Hockey Club, is mixed and not just exclusively for girls.</p> <p>https://linlithgowacademy.westlothian.org.uk/article/26993/Extra-Curricular-Clubs</p>
Download school app	<p>'School App for Parents' can be downloaded from Apple Store or Google Play. Once downloaded then type in Linlithgow Academy.</p> <p>https://apps.apple.com/us/app/school-app-for-parents/id1309721219</p> <p>https://play.google.com/store/apps/details?id=com.appscentral.psa&hl=en_GB&gl=US</p>
