Dear Parent/Carer

National e-Learning Offer: e-Sgoil Evening Study Support Webinars

I'm writing to outline the National e-Learning Offer (NeLO)/e-Sgoil evening Study Support programme for 2022/23 that is on offer to all learners.

The Study Support programme comprises recorded, live and interactive webinars focused on Senior Phase courses.

Webinars are delivered by experienced, GTCS registered teachers.

Fifty different webinars are on offer each week during term time, covering all the larger subject areas as well as an extensive range of other subjects.

The service is focused on delivering equitable access to all learners in Scotland and is completely free.

- Alongside learners from a range of schools across Scotland
- By accessing high quality learning resources that will be available to you in Teams
- By using appropriate digital tools
- By posing questions and queries in the Teams chat during the webinars

What is my role?
