

## Parent Comments and Feedback Week ending 7.11.22

The table below gives feedback on questions raised by parents/carers as part of weekly HT Update that will be of use for other parents to be aware of. Specific questions related directly to your child will be privately responded to as soon as possible by most relevant person.

Theme of question submitted	HT Feedback
<p><b>Homework</b> Question around homework being requested in various forms ie in jotter/on Teams etc.</p>	<p>We have a Homework Committee currently looking at our policy on this who should report back soon with some next steps. I will add this proposal to it. We are encouraging all teachers to use Teams and OneNote for HW but jotter submissions obviously still required in certain subjects. Pupils will be informed about date for return by teacher but the use of Teams to share this information does seem sensible.</p>
<p><b>Revision/Study techniques</b></p>	<p>Teachers will begin to cover study techniques in classes, mostly senior phase however some specific information around revision techniques can already be accessed on school website here for all pupils including study planners etc:  <a href="https://linlithgowacademy.westlothian.org.uk/article/73854/Study-Skills-that-are-proven-to-work">https://linlithgowacademy.westlothian.org.uk/article/73854/Study-Skills-that-are-proven-to-work</a></p> <p>Study skills generally work better when applied in context rather than in isolation so this website page may assist when revision is required.</p>
<p><b>Download school app</b></p>	<p>'School App for Parents' can be downloaded from Apple Store or Google Play. Once downloaded then type in Linlithgow Academy.</p> <p><a href="https://apps.apple.com/us/app/school-app-for-parents/id1309721219">https://apps.apple.com/us/app/school-app-for-parents/id1309721219</a></p> <p><a href="https://play.google.com/store/apps/details?id=com.appscentral.psa&amp;hl=en_GB&amp;gl=US">https://play.google.com/store/apps/details?id=com.appscentral.psa&amp;hl=en_GB&amp;gl=US</a></p>
