

### Parent Comments and Feedback Week ending 11.6.23

The table below gives feedback on questions raised by parents/carers as part of weekly HT Update that will be of use for other parents to be aware of. Specific questions related directly to your child will be privately responded to as soon as possible by most relevant person.

Theme of question submitted	HT Feedback
Online Parents evening	A comment raised as to whether parents evenings could be both online and in person. Logistically this is not possible. We continue to consult with parents after each evening and at end of year. There is overwhelming support for parents evenings to remain online and the School Office continue to offer support to any parents who require assistance making bookings or logging on. We will ask parents again throughout next session as to their preferred format for parents evenings.
Download school app	'School App for Parents' can be downloaded from Apple Store or Google Play.
