

S3 PE Family Learning Task Term 1

Athlete Research Project

Elite athletes make for positive role models as they promote physical activity, demonstrate a good work ethic and motivation to succeed.

Family Learning Task:

- Select and research an athlete or sports team that you and your parent/carer look up to as a sporting role model(s). Research and produce a factsheet including the following information for guidance:
 - Your athlete's name and age/ when the team/club was founded;
 - Some details on their early life and history;
 - Details of their sporting career/ historical sporting moments;
 - Main highlights/achievements in their career so far;
 - What the future holds for your chosen role model/ team/ club;
 - Why they inspire you and your parent/carer.
- Present your work on a format of your choice: handwritten/typed on A4 piece of paper, a power point or record a podcast or video.
