
Bring Your Own Device (BYOD)

S6 & S5 Pilot 2023

DIGITAL SCHOOLS AWARDS SCOTLAND

DIGITAL SCHOOLS AWARDS EUROPE

BYOD Pilot Scheme

S5 & S6 learners Only

Monday 25 September - 6 October 2023

BYOD to school regularly from Monday 25 September

Review the BYOD Pupil Summary (click here)

Regularly reflect on how using your own device is impacting on your learning (positively and negatively)

Keep a note of any technical issues you encounter during the pilot

- Where, when, what issue

Take time to participate in the pilot scheme evaluation process

- Your feedback is crucial

Consider becoming a Pupil Digital Champion

Why BYOD?

West Lothian Council approach

Part of Scottish Government's strategy for Digital learning & teaching

Helps to enhance and support your learning experience

Anywhere, Anytime Learning (AAL)

Our AAL network allows digital devices to quickly connect to the internet using a secure connection.

MS Teams, OneNote Class Notebook and Microsoft 365 apps are becoming part of day-to-day teaching and learning

BYOD Benefits

DEVICE FAMILIARITY & PERSONALISATION

GREATER INDEPENDENCE

INCREASED PRODUCTIVITY

NO SCHOOL NETWORK LOGIN ISSUE

ENHANCED LEARNING EXPERIENCE

COLLABORATION & COMMUNICATION

ENVIRONMENTAL BENEFITS

PREPARING FOR COLLEGE/UNI & WORLD OF WORK

BYOD Pupil Summary Key Points

1. Connect your digital devices to the internet using the AAL network
2. Follow the school's Pupil Acceptable Use of ICT Policy (same as the policy for smartphones)
3. It's at each teacher's discretion as to when digital devices may be used in class
4. Devices are used for educational purposes only during the school day

BYOD Pupil Summary

5. The school reserve to right to monitor content usage

6. Devices should not be used to record audio or take photographs/videos of other pupils or staff within their permission

7. Device must be adequately charged before brining to to school

8. LA cannot take responsibility for theft, loss or damage to your devices
