

WEDNESDAY OCTOBER 25TH 5.30PM- 7.30PM SENIOR PHASE PARENTAL ENGAGEMENT EVENT

Open to all S4/5/6 Parents

We would like to invite all parents of our Senior Phase pupils to our engagement event. We are looking to provide support to parents/carers who are in turn supporting our young people in their SQA exams. Research suggests parents wish to be more involved in their child's learning at Senior Phase but often lack the skills and confidence to do so once work becomes more subject specific. The National Improvement Framework also cites effective parental engagement as a key driver in increasing attainment. This event aims to provide parents with practical examples of how they can support learners and a chance to liaise with faculty staff and partners on helping learners prepare for their next steps.
