Our Eligibility Criteria

Students matching the below criteria are entitled to LEAPS activities and support.

LEAPS Group 2 Schools

In [Group 2 schools](#), we support students who have the potential to achieve a minimum of 3 Highers by the time they finish school and match one or more of the following LEAPS eligibility criteria:

- **student who is first generation in family to apply to higher education or whose parents do not already have a degree.** This includes students whose parents may have briefly participated in higher education but did not achieve a degree. (Please note that a student whose parent/guardian/carer has achieved any degree – irrespective of mode of study, type of institution, location of study – would not be LEAPS eligible under this criterion.)
- **student from a low income background.** (For instance where a student is entitled to EMA, free meals in school, or where the family is entitled to a benefit such as Universal Credit).
- **student who is care experienced.** (By this we mean where a student has been, or is currently, in care. For instance, this may have been in a formal setting such as looked after at home, adoption or foster care, or it may have been in an informal setting such as kinship care and living with a relative who is not their mum or dad.)
- **student who is estranged.** (By this we mean a young person who currently has little or no contact with either of their parents and/or their legal guardian. They may not have been formally supported with this by the care system or a social worker etc., particularly if the estrangement happened after the age of 16 and they were unable to access social services due to their age.)
- **student who is a young carer.** (By this we mean a young person who cares, unpaid, for a friend or family member who due to illness, frailty, disability, a mental health problem or an addiction cannot cope without their support.)
- **student who lives in one of Scotland's 20% most disadvantaged communities as defined by the Scottish Index of Multiple Deprivation (SIMD20).** Please check your postcode [here](#).
